

Directions to Sandscrest Training Center in Wheeling, WV

1. Proceed to I-70 Westbound toward Washington, PA.
2. Stay on I-70 at the I-470/I-70 junction when you get near Wheeling, WV.
3. Proceed to the Oglebay exit. Look at the Gas services sign before the exit and you will see a KROGER emblem. This is the correct exit. Don't go through the Wheeling tunnel.
4. At the first light off of the exit, go straight.
5. At the immediate next traffic light, bear right at this light and turn onto the National Road. Steps #4 and #5 are quick.
6. At the next traffic light (there is a RAX on your right and a church in front of you on the left), make a left at this light onto Bethany Pike.
7. Follow straight until you see a Nicky's Garden Center on the left. Get in the left lane.
8. You will prepare to make a left onto G C & P Road. In front of you on the left will be a small convenience store.
9. Follow this road 3.1 miles.
10. On your left will be the road, Tablerock Road. You are almost there. Do not turn onto this road!!!!
11. Begin to look for a Dead End sign on your right and a small white BSA sign. This is the road you will bear off to the right. If you go down the hill, you went too far.
12. Follow this road for a while until you see a turnaround. You will pass houses and buildings. When the road forks into a one-way, you will keep going to the turnaround. At the end of the turnaround you will see the Training Center on your right.
